Creating my own human language

WEB DEVELOPMENT HISTORY

Student full-time • *Student*
UVU • September 2017 to Current

Hiatus - Lived in Poland for several months • *Backpacked*
Kraków and Wrocław • June 2017 to September 2017

Web Developer • *Utah Valley University*
Orem, UT • April 2016 to July 2017

- Coordinated with systems partners to finalize designs and confirm requirements.
- Implemented company policies, technical procedures and standards for preserving the integrity and security of data, reports and access.
- Managed creative projects from concept to completion while managing outside vendors.
- Met with dept. heads to plan and organize prospective sites.

Intern/Web Developer • *Aptivada*
Saint George • February 2015 to May 2015
Had first exposure to web development and web languages. Gained desire to enter this field after seeing all the cool stuff in action at a small company. Worked on small things and spent most of my time learning.

EDUCATION

Web Design and Development - Application Development • *Utah Valley University*
Orem • May 2018

High School Diploma • *Desert Hills High School*
Saint George • 2009
